

Wishes

Life has been hard and life has been tough,
But with a wonderful family
I knew in my heart I could never give up.

However, there have been times when I felt all alone,
Because at the end of the night
I had no real place to call my home.

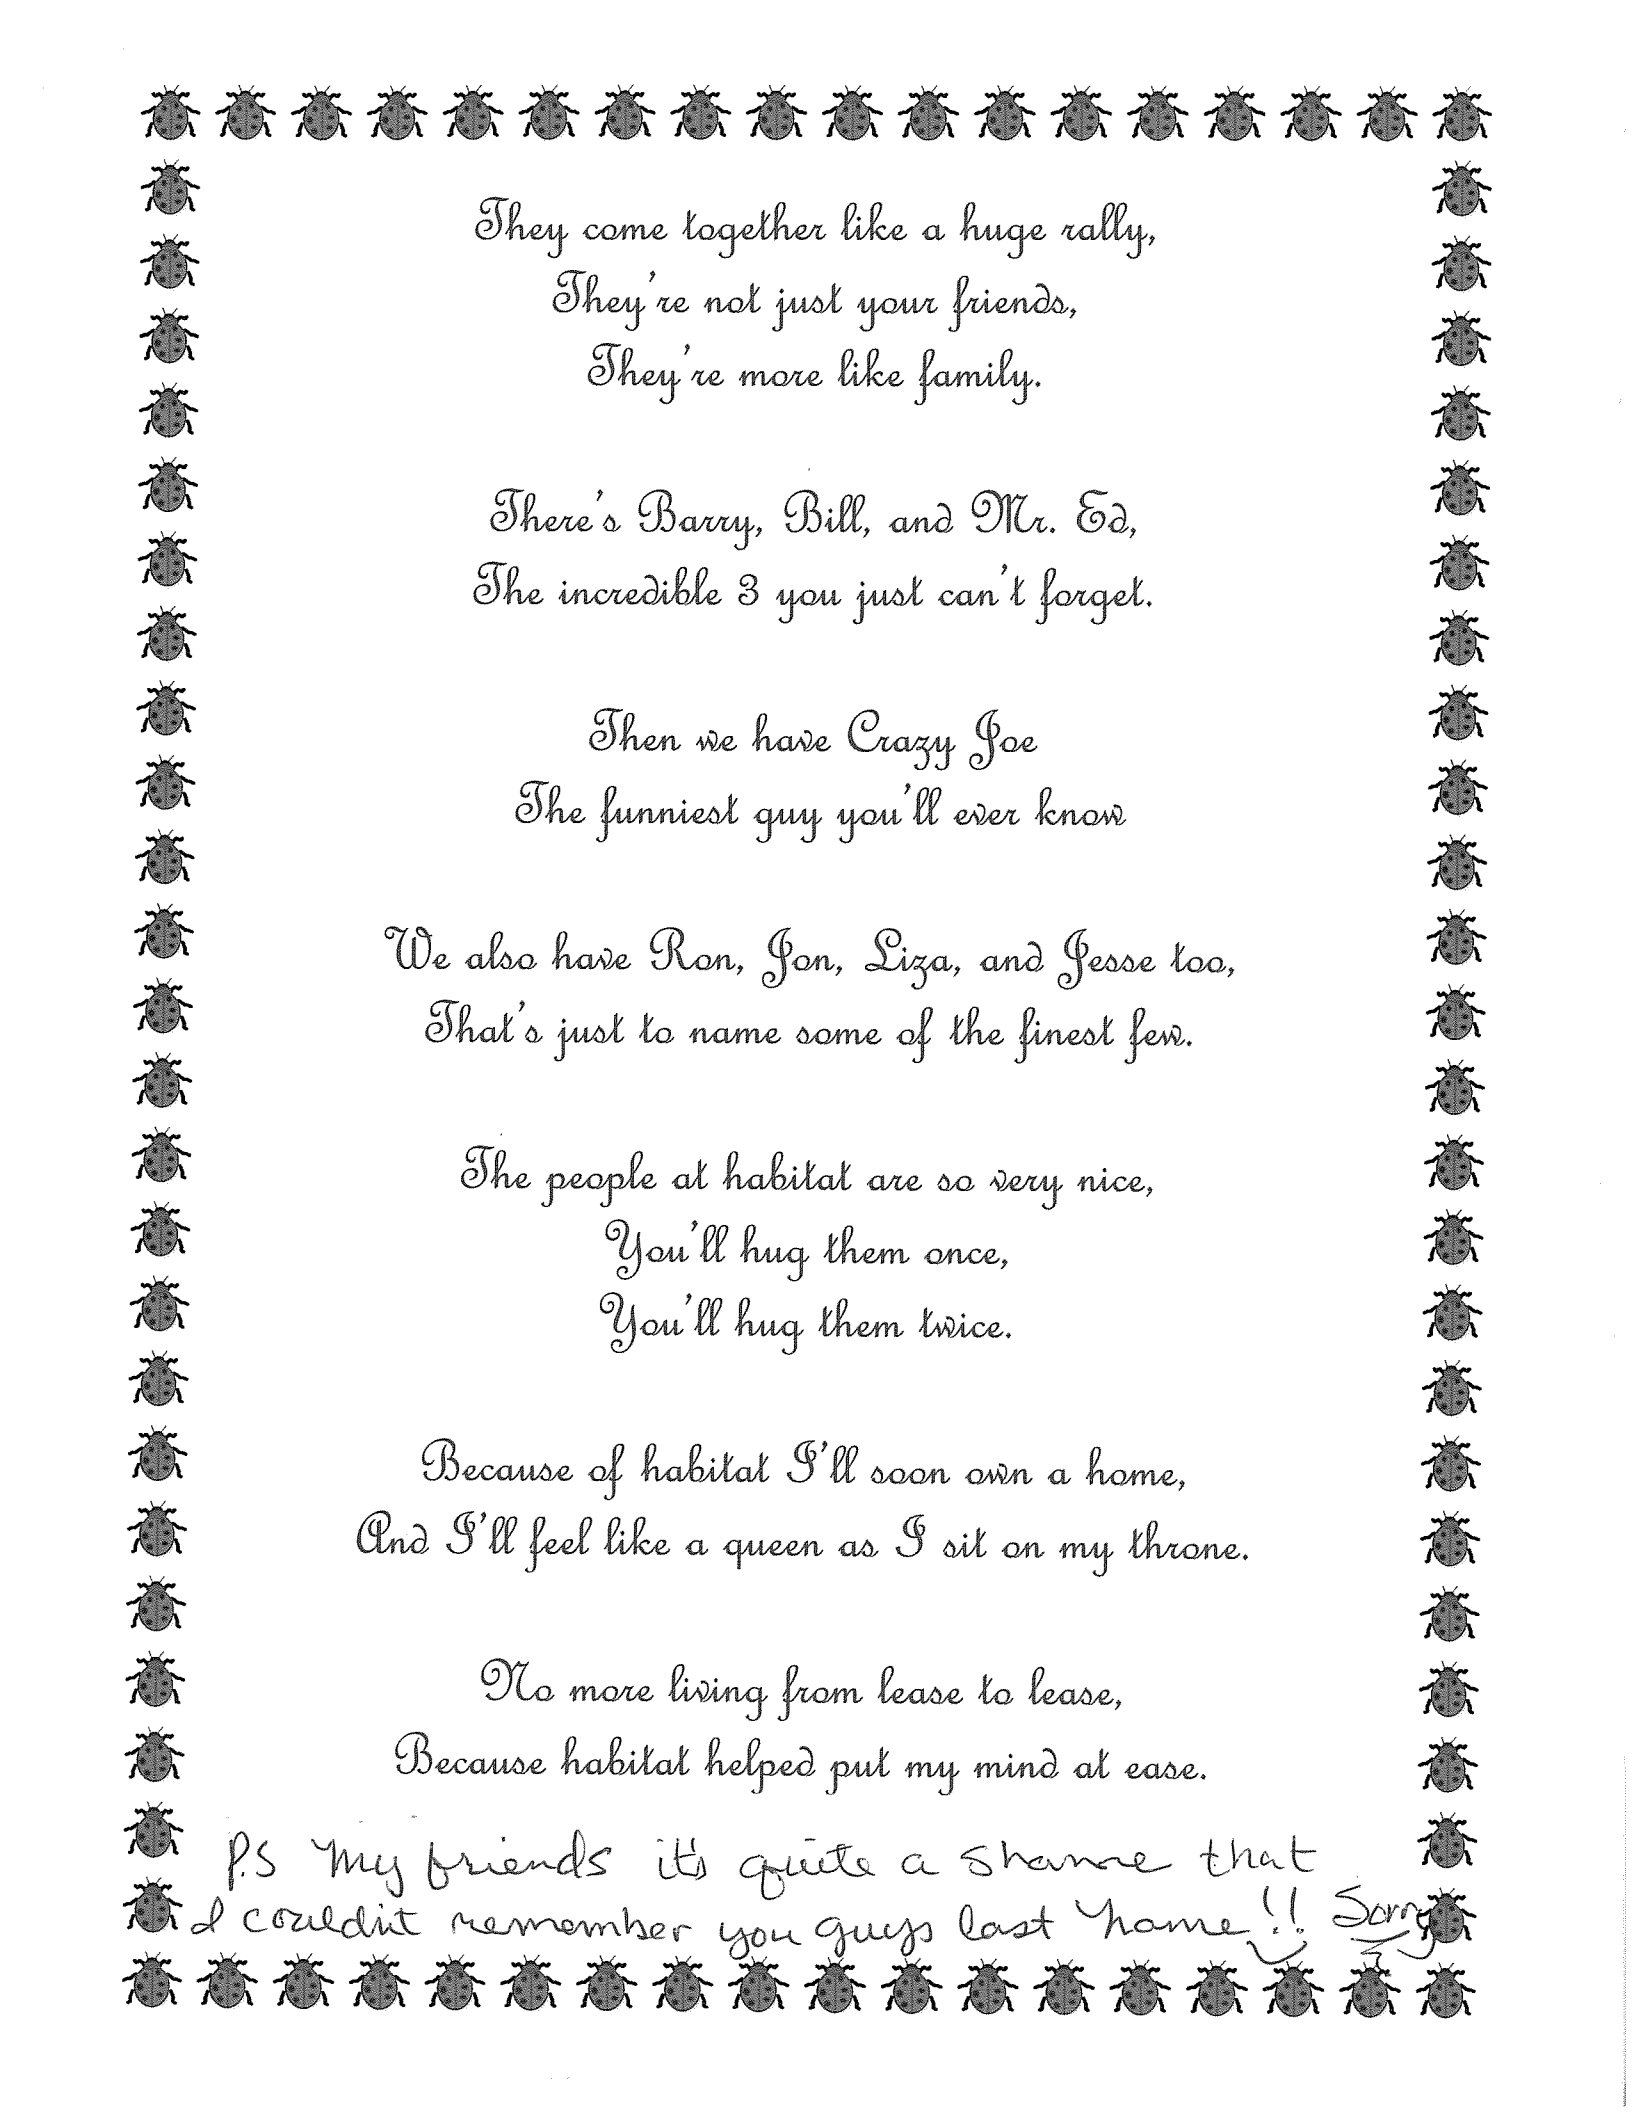

Paying the rent as years went by,
Knowing that this house would never be mine.

Losing all hope and saying, "There is no way
I'll ever own a home of my own someday."

Just when I was about to lose all hope,
The habitat people threw down a rope.

They helped me cope with all my stress,
And taught me how to clear all my credit mess.

Habitat people are one of a kind,
They'll be your friend like they are mine.

They come together like a huge rally,
They're not just your friends,
They're more like family.

There's Barry, Bill, and Mr. Ed,
The incredible 3 you just can't forget.

Then we have Crazy Joe
The funniest guy you'll ever know

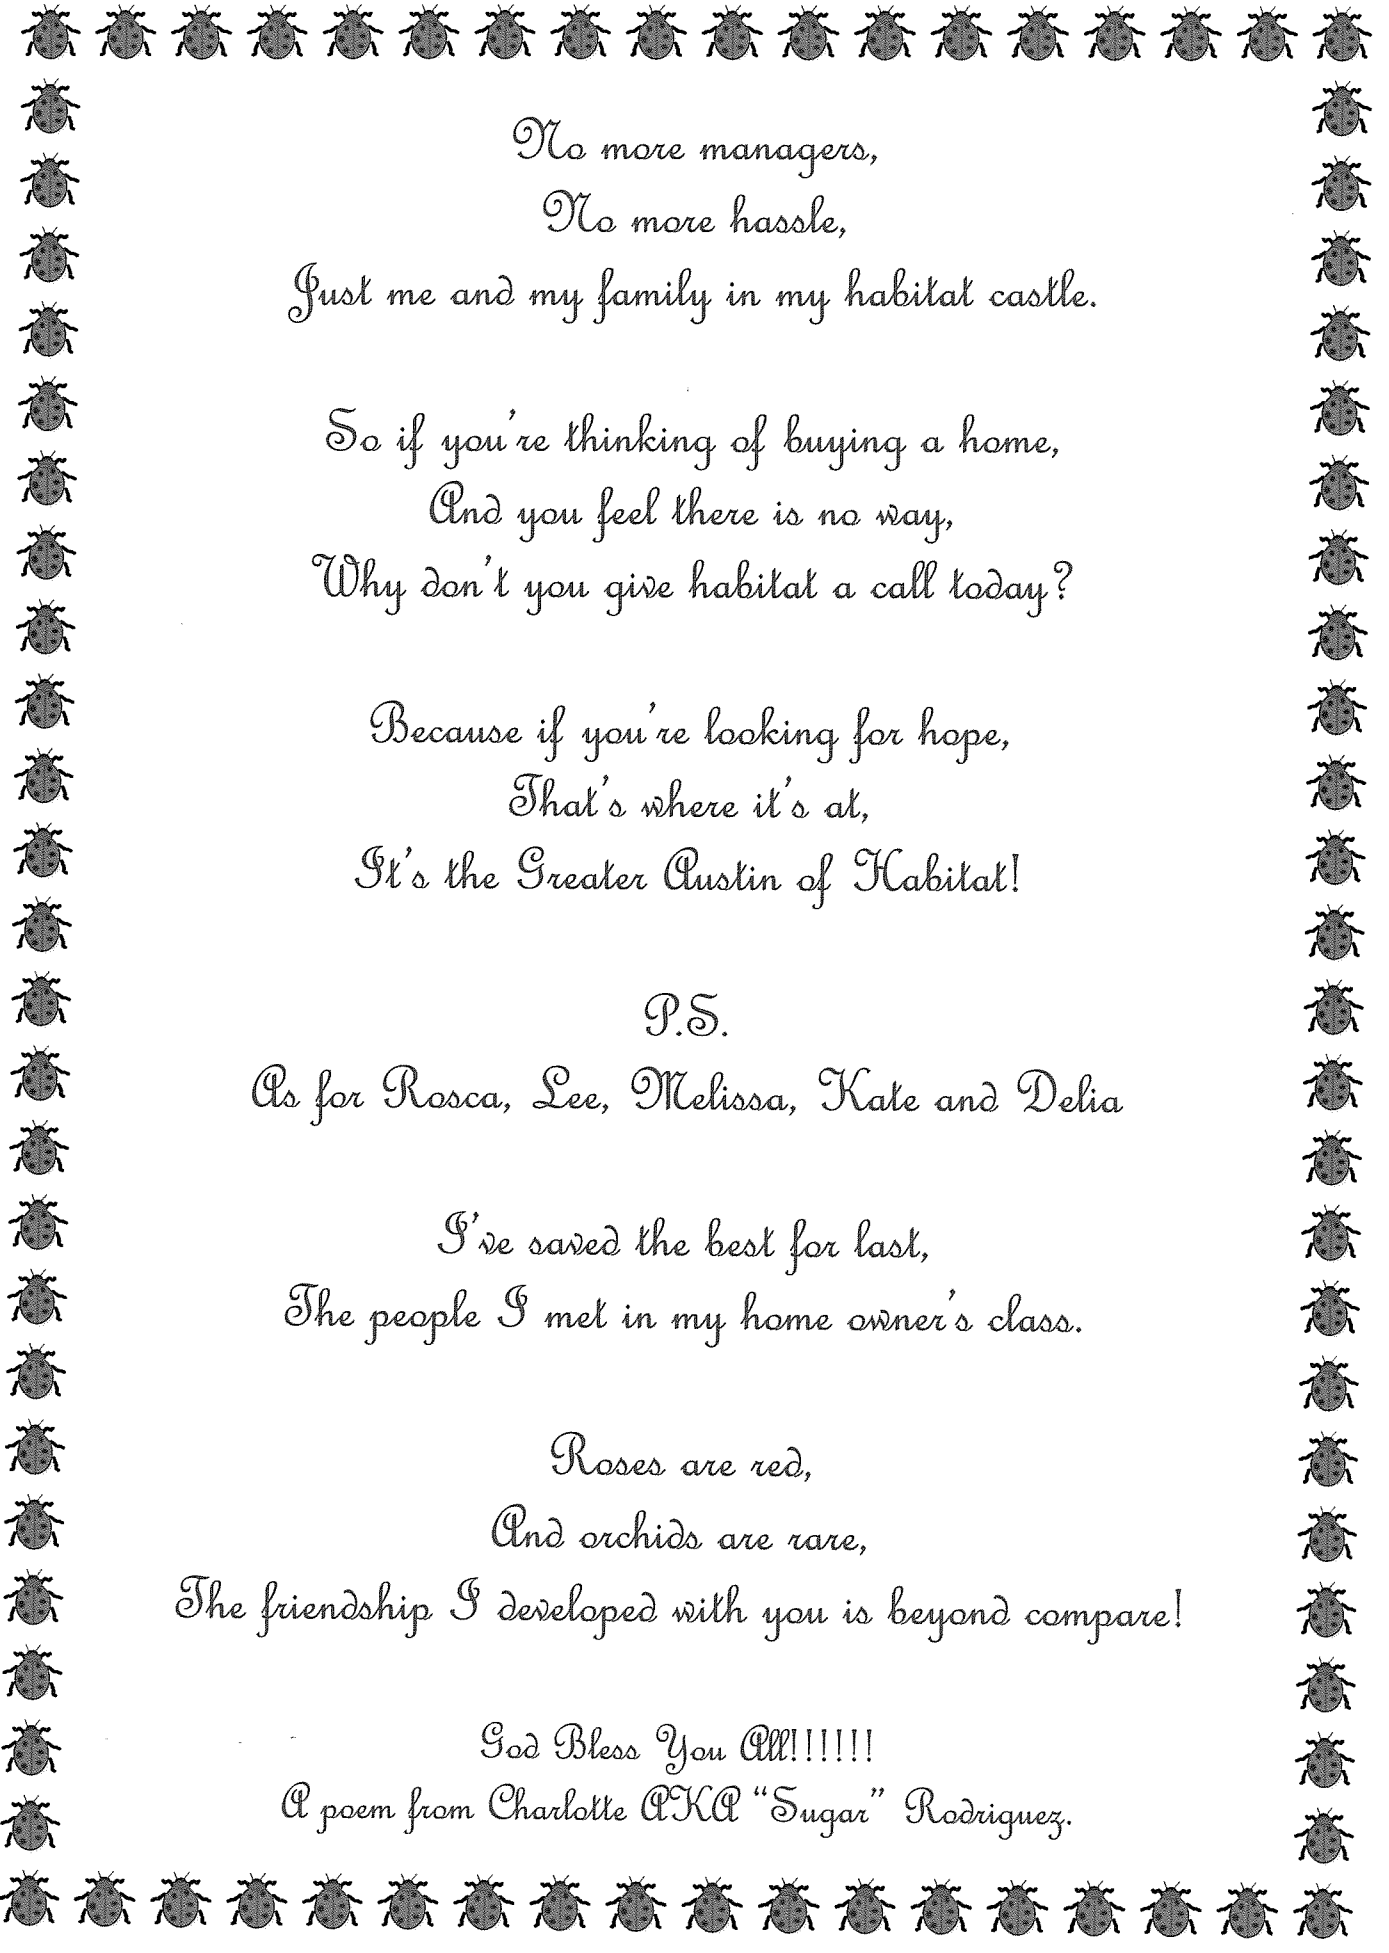

We also have Ron, Jon, Liza, and Jesse too,
That's just to name some of the finest few.

The people at habitat are so very nice,
You'll hug them once,
You'll hug them twice.

Because of habitat I'll soon own a home,
And I'll feel like a queen as I sit on my throne.

No more living from lease to lease,
Because habitat helped put my mind at ease.

p.s my friends it's quite a shame that
I couldn't remember you guys last name!! Sorry

No more managers,
No more hassle,
Just me and my family in my habitat castle.

So if you're thinking of buying a home,
And you feel there is no way,
Why don't you give habitat a call today?

Because if you're looking for hope,
That's where it's at,
It's the Greater Austin of Habitat!

P.S.

As for Rosca, Lee, Melissa, Kate and Delia

I've saved the best for last,
The people I met in my home owner's class.

Roses are red,
And orchids are rare,
The friendship I developed with you is beyond compare!

God Bless You All!!!!!!

A poem from Charlotte AKA "Sugar" Rodriguez.
